- Imam Yousuf Al-Nabhani is a scholar from the past century who gathered
- There are different types of hadith works:
  - Primary hadith works are those that have the chain of hadith mentioned.
    - These include the works of Bukhari, Tirmidhi, etc.
  - Scholars that came after these primary scholars compiled the hadith into books without the chains so that it was easier to read.

SEA SPLIT: TAFSEER OF SURAH TAHA

# RAMADAN

IMMERSION

Mufti Abdul Wahab Waheed

**Introduction**

- Surah Taha can be broken down into four themes.
  - The first of these themes is: *The Power of the Words of Allah SWT*

**Verse 1** طه

Taa Haa

- Scholars mention that this is a name of the Prophet SAW.
  - Allah never calls upon the Prophet SAW by his name directly in the Quran, unlike He did for other prophets.
  - It is out of the respect and love of Allah for the Prophet SAW that He calls him by other names.
- This grabs the attention of the Prophet SAW because something important will be mentioned soon after.

**Verse 2** مَا أَنْزَلْنَا عَلَيْكَ الْقُرْآنَ لِتَشْقَىٰ

We did not reveal the Quran to you to make you suffer.

- The Prophet SAW would engage with the Quran to such an extent that his body would become weak.
- Allah mentioned in Surah Al-Qiyamah:
 

لَا تُحَرِّكْ بِهِ لِسَانَكَ لِتُحْجِلَ بِهِ (٧٥:١٦) إِنَّ عَلَيْنَا جَمْعَهُ وَقُرْآنَهُ (٧٥:١٧)

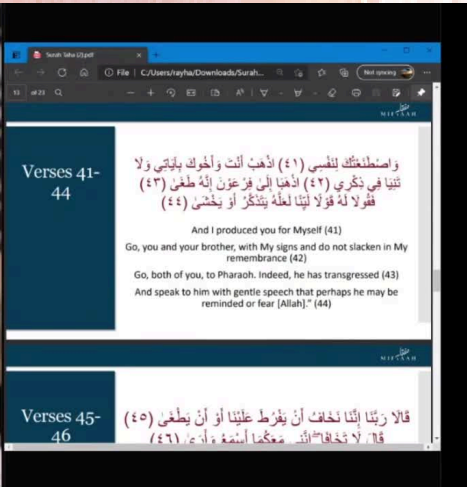

Do not rush your tongue trying to memorize a revelation of the Quran. (75:16)  
It is certainly upon Us to make you memorize and recite it. (75:17)
